Join us to support the future of a healthy USNSCC for many years to come!

CELEBRATING OUR SEA CADET HERITAGE THROUGH SUPPORT AND LEADERSHIP

The NSCC Alumni Association is seeking members to join its ranks and begin celebrating their Sea Cadet Heritage. The NAA is a national network of sea cadet alumni and adult leaders. Joining the NAA brings with it special benefits. The NAA internet system provides alumni with special features such as access to the NAA events calendar, blogs, and the NAA directory.

The NAA also works in tandem with National Headquarters, representing the alumni on important issues such as legislative support of the USNSCC. As a member of the NAA you become closer to your sea cadet family and can begin to support a great organization and a great cause. Please see our website at www.nsccaa.org for more information.
